

Quebec to Boston Cruise, Sept/Oct 2017

Join Wendy & Chris on this special sailing of the Norwegian Dawn as it sails Canada and New England waterways. This ship features 14 decks with 15 dining options, 12 bars and lounges, the fitness center and spa, casino, and pools. This is a smaller ship with a capacity of 2340 passengers. Temperatures should be perfect for touring with highs around 60°. We have added an extra night on each end so you can travel without the worry of time constraints. Of course, you may choose to add additional nights to make this trip truly your own.

Quilt Adventures with Chris & Wendy

- Thursday, September 28** Fly to **Quebec City**, Quebec, Canada (pronounced keh-bek) Hotel overnight.
- Friday, September 29** Enjoy the morning at leisure in **Quebec City**. Mid-day transfer to ship.
- Saturday, September 30** **Quebec City**, Quebec (That's right, an excursion, we don't sail til 6pm tonight!)
Quebec City lies on the Saint Lawrence River and is divided by steep bluffs into Upper Town – which includes the old quarter – and Lower Town. Perched atop Cap-Diamant, the old quarter is the only walled city in North America and is a UNESCO World Heritage Site. As for food, you could splurge on afternoon tea at the Chateau Frontenac, or do as the locals do and snack on poutine—French fries with gravy and cheese curds!
- Sunday, October 1** at sea
- Monday, October 2** **Sydney**, Nova Scotia In port from 8 am-5 pm
The coal industry brought immigration from many parts of the world, giving Sydney a multicultural mix of over 50 ethnic backgrounds and a global flavor to its history. Located on Cape Breton Island, Sydney is also an ideal jumping-off point for scenic adventures.
- Tuesday, October 3** **Halifax**, Nova Scotia In port from 8 am-5 pm
Admire the rugged coastline that surrounds Halifax, the world's second-largest natural harbor. This beautifully preserved city is Nova Scotia's capital and was founded in 1749. Take steps through history and climb to The Citadel to witness the Old Town Clock.
- Wednesday, October 4** **Saint John**, New Brunswick In port from 10 am-7 pm
Saint John's history is evident in its weather-worn look, passing the tests of salt air, sea winds and a devastating fire that have all contributed to making Saint John the greatest little city in the east. Be sure to look for your ship in port against the beauty of the Bay of Fundy from Fort Howe lookout
- Thursday, October 5** **Bar Harbor**, Maine In port from 8 am-5 pm
This coastal attraction has retained much of its charm since its glory days of the 1900s, when America's elite vacationed here in opulent summer cottages. Surrounding the rock-bound harbor is the world-famous Acadia National Park where the treasures of nature are on display.
- Friday, October 6** **Boston**, Massachusetts Return to port 8 am Hotel overnight
Welcome to an American city where history truly does come to life. So much to see - Bunker Hill Monument, Paul Revere's House, the Old North Church, Quincy Market, the mansions of Beacon Hill, and Boston Common, the oldest public park in the U.S.
- Saturday, October 7** Return flights or extensions on own

Specific shore excursion details will be available in spring 2017. We are planning private shore excursions, classes, group meals, and informal gatherings for your enjoyment. We encourage you to explore each destination to the fullest and take in all the activities onboard the ship, whether with the group or on your own.

Air Transportation: Flights will be available beginning in mid-November. Depending on your origination airport, it may be best to book two one way tickets. Airports: YQB (Quebec City) and BOS (Boston)

Documentation: You will need a passport valid until at least April 2018. For this (and other travel you may have planned): Airlines are slowly adopting the Real ID Act and accepting only enhanced IDs or passports for all flights, even within the US. Canada may start accepting enhanced IDs from US citizens, we will keep you posted, for now, be sure you have a passport. (In Wisconsin, an Enhanced ID/Driver's License is identifiable by a star verification mark on the front of the card in the upper, right-hand corner. If you don't ask for it when you renew, you will likely not receive one.)

What's Included? Cruise fare, port fees, government taxes, ship gratuities, group gatherings, shore excursions in five ports (Quebec, Sydney, Halifax, Saint John, Bar Harbor), one night Quebec City hotel, group transfers, classes, meals^A, beverage package^B, and one night Boston hotel with pricing based on shared double occupancy. Each cabin will also have \$100 credit to spend as you like and a bottle of wine.

Insurance: Through experience, we have made it our policy not to include travel insurance in package pricing. While including it makes it easier for you, finding that your needs are not covered by a universal policy makes that coverage a waste of money. We recommend independent internet sites (such as travelinsurancereview.net) or your preferred insurance agent to find the coverage you need based on your work status, health, and choice of coverage level. A policy for this trip, covering the customary inclusions can be expected to cost \$150-\$250 per person. (Cost is based on total trip cost, age, and desired coverage inclusions.) Insurance is optional. We will assist you in obtaining a policy if so desired.

Cruise Documents: NCL provides all travel documents electronically and requires advance online check-in. Each traveler will be required to set up an account at ncl.com and complete the check-in process prior to departure. If you do not have access to the internet, please check the appropriate box on the registration form and we will contact you for the information necessary to get checked in and obtain your documents when the time comes.

Dining: NCL has a reputation for re-imagining the whole concept of cruising by creating Freestyle Dining. There are numerous dining options available to please your palate. Your choices include six complimentary restaurants, seven specialty options^A (surcharge or a la carte pricing - steakhouse, churrascaria, French, Teppanyaki, Italian, Mexican, sushi), as well as room service and a bake shop. [^A*Specialty restaurants have a cover charge and 18% service fee; room service at certain hours may have a \$7.95 service fee.*]

Entertainment, Amenities, Bars, & Lounges: The Norwegian Dawn has numerous spots to enjoy entertainment, a chat with friends, or some simple solitude. The ship features: ball courts, walking/jogging track, indoor and outdoor pools, hot tub, spa, fitness center, library, shopping. Entertainment options currently on board include two stage shows, comedy variety show, sing off with you as the judge, and Second City. Plus, you will find a full-action casino, upscale cigar room, wine and champagne tasting bars and daily activities. And don't forget NCL's trademark White Hot Party!

Beverage Package: ^BUnlimited Fountain Soda featuring soft drinks at all restaurants and bars. You may upgrade your soft drink package to a wine/beer or alcohol beverage package at additional cost once on board. (Does not include package sales, "take aways", mini bar purchases, bottled water, specialty coffee beverages, or Red Bull energy drinks.) NCL no longer allows carry on of any beverage.

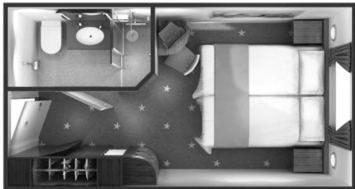

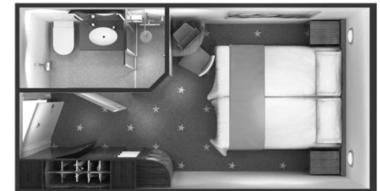

Cabin Occupancy: All pricing is based on two per cabin. Single occupancy in cabins is significantly higher in cost. NCL limits the number of single occupancy cabins for each group. If you do not have a roommate and would like one, we will put you in touch with others looking to share.
